HISTORIC RACE COURSE SOLD.

Kentucky Association Track at Louis-

ville Brings \$40,000. The historic Kentucky Association race course at Lexington, Ky., has been sold by Charles Green of St. Louis, Mo., to J. J. Douglass of Louisville, Ky., for \$40,000. With Douglass are associated other well-known turfmen, by whom a new race association will be organized for Kentucky, and the old trotting track at Louisville, Oakley track at Cincinnati and Lexington track will be turned into a circuit for running races. It is the purpose of the new owners to hold spring and fall race meetings each year, opening in Lexington next spring. Immense sales paddocks will be constructed at the local track, where an effort will be made to dispose of the annual crop of yearlings and save the cost of shipment to New York and back each season. The work of repairing the track will begin next week.

Brown and Peter Wimmer, for the extroardinary fortitude they have shown under a series of hard knocks. James R. Keene's Biturica made her first appearance in many weeks. She looked well, but failed to run very prominently. Love Note was a good third. There was a high wind while this race was being run, and hence the slow time—1:07 3-5—over a good track.

Advance Guard, Dublin, The Rival, Oom

Paul and Himself were scratched from the Omnium Handicap, at nine furlongs, and Gay Boy, 100 pounds, and Musette, 100 pounds, were added. Musette had started in the first race and had run a fair race. No one figured her to have a chance at nine furlongs, and she "blew up" at the end of five furlongs. Colonel Bill, Shaw up, led almost from the start, ran Roxane and Herbet off their legs and won in fine style. Roxane ran for the first time in the name nd colors of S. Sanford & Sons, who paid \$10,000 for her at a public auction two weeks ago. Report had it that she had worked a mile in 1:30½. She ran well, considering that she has not run a race in weeks. Zoroaster was unlucky in getting away and ran a great race. Continuing on, he worked a mile and a half in 2:35 as a preparation for the annual Champion Stakes

Dan Patch Failed to Lower Star Pointer's Mark.

Dan Patch failed to lower his own or the world's pacing record in an attempt against Star Pointer's mark of 1.59% before a crowd of 40,000 persons at the New York state fair track, Syracuse, N. Y., yesterday. The son of Joe Patchen paced in 2.00%. The track was lightning fast, the day was warm and every condition favorable for a recordbreaking performance, except slight wind which blew up the backstretch. Dan Patch, with Myron McHenry driving, scored down three times with a runner before he got the word, and then he paced away at a lightning-fast gait. He was up to the first quar-ter in 29½. When the time for the half, 594, was announced, a murmur went up from the crowd, and it seemed as if the record must surely go. From here on the pacer lost ground, and he finished under the whip, his last quarter being the slowest. The other racing was of high class, being The other racing was of high class, being the best ever witnessed in Syracuse. Scott Hudson had another good day, winning two races, the 2.06 pace with Twinkle and the 2.12 trot with Hawthorne. Snow was pushed to his best with Buckthorne to win the 2.18 pace. The 2.14 pace went to Home Circle after St. Riga had won the first heat and fought out the second, being distanced

George Spear drove Lord Derby to sulky to beat the trotting record of the year, 2.05%, held by The Monk, and finished in 2.06 flat. Scott McCoy drove The Monk to sulky in 2.064. Coy drove The Monk to sulky in 2.064. Greenline's defeat of Fred S. Wedgewood and Shadow Chimes was quite a surprise to the drivers of the other two horses.

RACING IN ENGLAND.

Croker's Horse, Gladwin, Won Big Event at Doncaster.

A special from London says that the principal race at Doncaster yesterday was the Portland plate, a six-furlong dash, worth \$4,000. It was won by Richard Croker's three-year-old Gladwin, Trigg up, which simply reveled in the mud and came home alone from twenty-two opponents, several of whom represent the very best sprinting form.

Mr. Croker was not present, but stable onnections went in for a big coup, and as the colt started at 10 to 1 they must have

LYNE'S GOOD OFFER.

Sidney Paget Willing to Pay \$10,000 for Jockey's Services.

Jockey Lucien Lyne has been asked to ride for J. B. Haggin next year. Sidney Paget, who will manage the multimillionaire's big string of thoroughbreds, asked Lyne at Sheepshead Bay yesterday if he would sign a contract, and offered the young Kentuckian \$10,000 a year.

Lyne did not give a final answer, but intimated that he was willing to ride for Mr. Haggin. Before signing any agreement the boy said he wished to consult his father. Sanford Lyne.

Whether John A. Drake, Lyne's present employer, will meet the Haggin offer is a question that is being discussed among horsemen. Some believe he will meet it with an advance, while others say he will

Otto Wonderly, who secured \$15,000 from Mr. Haggin for second call on his services this year, will not be engaged for 1903.

EASY FOR MAHER.

Jeffords Knocked Out in Sixteen Seconds of First Round.

Peter Maher made very short work of Jim Jeffords at the Broadway Athletic Club, Philadelphia, last night, by putting the latter to sleep in sixteen seconds of the first round. The fight was so short that half the spectators had no idea that the bout was over, so quickly did Maher dispose of his opponent. Jeffords' showing in the ring was a very pitiable one to his admir-

minutes. Peter landed but two punches during the short mill, a left to the head and the right on the jaw that settled the bout.

Maher forced the fighting from the time the bell rang, but he had a hard time getting at Jeffords, who kept crouching in his correct to constant to the lain the l corner to escape the Irishman's efforts to land. Peter managed to get near enough and Jeffords quickly clinched. On the break-away Maher landed a left to the head and following this up with a swinging right on the jaw, floored Jim with a crash, giving Maher the easiest fight that he has ever won in his life.

Victory for Ballston.

The Ballston base ball team defeated the crack Olympias of Southeast Washington in a highly interesting game yesterday on the grounds of the former by the score of

Play was resumed in the first and second | 3 match rounds for the western golf championship at the Chicago Golf Club yesterday. H. Chandler Egan of Exmoor and W. I. Howland, jr., of Evanston played the most sensational match of the day in the second round, Egan winning by 2 up, after being 3 down at the turn. The other survivors for the third march round are: Stuart Stickney of St. Louis, Warren Dick-inson of Des Moines, the Iowa state cham-pion; Nathaniel Ford Moore and Walter E. Egan of Lake Geneva, Samuel O. Dugger of Hinsdale, C. L. Hunter and R. E. Hunter of Midlothlan.

Lawyers Won From the Doctors. For two hours and ten minutes yester-

day afternoon, baseball teams representing the lawyers and doctors of the District of Columbia struggled for supremacy on the diamond at American League park, the former finally winning out by the score of 14 to 9. A gold sized gathering was on hand to witness the contest and many clever plays were pulled off by both teams. The pitching of Nicholson was the feature of the game, his effective work doubtless keeping the doctors from coming off vic-

Base Ball Notes Senators will start a series in Baltimore

Jack Doyle had a good day at second base

Carrick can be depended upon to do good work even if given only half-way support. Lew Drill seems to have got into his true stride at last. He has not made an error in the last three games, and yesterday he made a triple for good measure. Ex-Senator Buck Freeman had a liking for Carrick's curves. His two singles and a triple came very near winning the game

for Boston. Speaking of batters recalls George Carey.
This able first baseman hung up two more hits yesterday, and has been hitting like a thoroughbred the past couple weeks. When the score went up on the Athletics' grounds, telling of Washington's victory

over Boston, there was a great shout from the 11,000 spectators. The noise was repeated when the figures showing Detroit in That Chicago crowd would be down 2 around the tail end of the procession if it hadn't been for Roy Patterson's work this season. He is entitled to one of the largest salaries in the business.

The Athletics have four games in this city with the Senators, instead of three, as inadvertently stated, and upon this quartet of contests will depend the pennant chances of the Quakers. There should be a land office business at the American League park when the two teams meet.

Gene DeMontreville is playing shortstop for Boston, in Captain Long's place, and is doing well. He went through both games yesterday without an error, accepting all of thirteen chances. Reports from Philadelphia say that Harry

Goldman, treasurer of the Baltimore club, got "Charley Horse" in his arms while counting up the receipts after the games Wednesday and Thursday. It is to be hoped that Conny Mack will save some of the good feast for Treasurer Potter when the Senators reach Quakerville.

Williams, Baltimore's great second base-man, struck out six times in the four games It is a chilly morning that "Patsy" Don-

ovan or "Louie" Heilbronner doesn't sign a pitcher or two for the Cardinals. Detroit has an outfielder on trial named Schiepperkaesse. His name has already been cut to Schipp.

The Pittsburg management announces that it has signed Zimmer and Burke for next year. Burke will be utility man. On the strength of this capture and others from the American, Col. Pulliam claims the

pennant for 1903 already.
Rhoddy Wallace told Magnate Robison that while he had not signed with Hedges, he had promised to show every offer to him and in case he met each Bobby would play next year with the Browns. Hedges told him that no team in the country could pay him more than he will, and Robison takes The Memphis Base Ball Association yes-

or another. He may be given a chance to show his worth in the National League

with his style of going.

The Pittsburg base ball club will not give up certain players to a rival league without "I have two-year contracts with Leach and some others, and I will think them over at the end of the season," said Barney Dreyfuss on his arrival home from the east, "and let me say." continued the champs' owner, "that the contracts are better ones than Lajole had with the Philadelphia club. They are mutual and will no doubt hold in any court. I have not had any chats witth the supposed deserting players for a long time. I don't think that I have spoken to Tannehill for a month.

As to Leach, I have had no dealings with him for some days."

Captain Robinson of the Baltimores says: "Philadelphia is crazy about the Athletics and they are drawing great crowds. The National League team in Philadelphia piayed a double-header Wednesday with the Pittsburg champions before a crowd of fewer than 200 people, while today by actual count there were exactly 127 people at the National League game, although they announced an attendance of over 700. The nounced an attendance of over 700. The American League attendance on the two days was nearly 80,000. I have been all around the circuit. and the American League clubs are all doing splendidly. The clubs are making money, all is harmonious and President Ban Johnson is a wonder as a base ball leader and a splendid man to get along with if he is treated half way right."

A meeting of the National League has been called, to be held in this city on next Tuesday. There are a number of matters to

been called, to be held in this city on next Tuesday. There are a number of matters to be discussed. The settlement of the expense for the Baltimore "coup" is said to be one of them, and it is expected that the question of how to get the better of the American League—a question which is far from solved—will again be agitated. When from solved—will again be agitated. When the magnates last met here there was talk to the effect that a vigorous campaign had been mapped out against the bold enemy, but little seems to have resulted from it. Al Reach of Philadelphia and John T. Brush ring was a very pitiable one to his admirers, as he did not get in a single punch and made very little attempt to land in the brief time he was in the ring.

It was the easiest kind of a victory for Maher, and from the time he stepped into the ring and was on his way from the clubhouse the whole time did not consume ten but little seems to have resulted from it. Al Reach of Philadelphia and John T. Brush were in consultation at the Polo Grounds yesterday, but Reach said he came over on private business. "What are they talking about?" queried a spectator at the game who knew the base ball moguls. "I don't know," was the reply, "unless they are

Quantity purchases, carload shipments, contracts for great amounts of goods to be sent us, not only during the sale, but throughout the year-and then in the case of Parlor Furniture we closed out factory stocks of frames and had the different pieces upholstered and covered to our order-attending to all the details of that work ourselves and cutting off any profit that the manufacturer would naturally want for his time and trouble.
